to Worship God in Spirit & in Truth!

Collierville First Baptist Church

Worship Choir & Orchestra

## From Tim

---

Folks,

We experienced a real blessing in worship last Sunday! Thank you, orchestra, for starting us off with such a worshipful prelude. Week in and week out, your dedicated playing is an incredible blessing to us all. "Draw Me Nearer" was done so well by both the choir and orchestra. But I offer a special thanks for Diane's opening solo and to the horn section for the wonderful interlude section. Thanks, folks!

Lastly, thanks to Redeemed Ensemble for the powerful worship moment they presented. Shari's solo and the message of your song touched so many of us with a moving of the Spirit....thank you for your worship!

This Sunday marks CFBC's annual FCA Camp ministry and so our music will have some extra "kick" in honor of the student-athletes who will be in worship. We'll present "Hallelujah, You're Worthy to Be Praised" as the special music Sunday, so bring your energy and your smiles this week!

We also need to ask everyone's help with the growing crowds in the service. Because August starts a period of increased congregational worship attendance, our Pastor and staff are asking the choir and orchestra to once again remain in your pit and loft seats after we finish ministering each Sunday. We need to take this step to free up around 85-100 seats in the worship center.

So that each of you can hear comfortably, Tim Garner has asked Ron McDaniel to signal him as needed to adjust the Pastor's microphone during the message time. You will also be encouraged to bring your Bible with you so you'll have it for the message time. Sunday School teachers and counselors, you will be able to exit during the invitation to get to your places of service on time. The rest of the choir and orchestra will exit when the announcement time begins to facilitate a smoother and more timely transition to the Bible Fellowship hour.

Let's worship!!  
Tim

### **Prayer Needs**

All new requests written on the prayer boards will appear on the screens during choir rehearsal, then will be added to The Call before it’s mailed out on Thursday morning.

If you want a request to appear on The Call prayer list, you’ll need to write it on the prayer board each week. But if you’ll mark “repeated request” and the name of the person for whom prayer is sought, you won’t have to write out the *whole* request each week. The repeated requests won’t appear on the screens on Wednesday nights, but they *will* be on The Call for that Thursday.

Please keep your written requests brief. This keeps the prayer boards moving along and allows time for Diane to type them into the computer so they can appear on the screens.
